Ms. Darian's Travel Plans
December 7-11, 1977

As you know, Ms. Darian will accompany the Secretary on his plane tomorrow for the purpose of participating in the NATO meetings.

However, her return travel will not be with Secretary Vance. She plans to travel from Brussels to London the morning of Friday, December 9th, wishes to overnight one or two nights in London for consultations before returning to Washington.

Please issue a GTR for the Brussels-London-Dulles travel, per diem for London and orders to cover first class travel from London to Dulles.

We are planning to have the tickets issued by CATO today.

Thank you.
